The Benefits of “School Ready”

Our pre-prep program “School Ready” is designed to make the transition to school much easier for your child. The program will enable your child to:

- Be oriented to the Prep classroom and school grounds
- Become familiar with prep routines and expectations
- Participate in early literacy and numeracy experiences
- Build gross motor and fine motor skills
- Participate in early foundational learning programs
- Form friendships with other children
- Meet teachers and staff before starting school

We will be offering a parent information session on topics such as settling in to school, helping your child to read, nutrition, managing children’s behaviour, learning programs at Warrenheip PS etc. This session will run on the 1st School Ready session from 10.30 until 11am and will be followed by a morning tea.
