Principal Report

Dear Parents and Carers,

It is hard to believe that it is week 6 already! Our Foundation students began full time this week, they are making wonderful progress and have settled in beautifully. We have some grade 6 students heading off to Somers Camp on Tuesday, we wish them all the best for this amazing opportunity! Thank you to everyone who attended the school picnic. It was a perfect evening with Mr Squidgy and Kelly Sports there to support us!

SCHOOL COUNCIL:

Last week we held our School council meeting to wrap up finances from 2022. We are calling for nominations for parents/carers to join our School Council for 2023. We have 5 vacancies for a two-year term. If you would like to join our School Council please pop into the office to collect a nomination form. These are due back before **Tuesday 14th March**.

We ask you to please consider joining School Council and playing a part in shaping the direction taken by our school. The role is most satisfying as councilors get to see their ideas put into practice and have a positive impact on students, teachers, and parents in our school community. Parent members are critical in providing School Council with a parent perspective. No experience is required, just an interest in the education of your child/ren and other children attending our School. The commitment is not huge - just two meetings per term. Meetings begin at 4.00pm and can be held on WebEx or at school.

NAPLAN:

NAPLAN will begin on the 15th March for students in grades 3 & 5. An information pamphlet went home last week that provided more details about NAPLAN. Please contact Jo if you have any questions about your students participation.

I hope everyone has a wonderful weekend.

Jo Reyntjes - Principal

Student of the week

Congratulations to
Ryder and Brooklyn
for being recognised
as achieving this weeks
goal!

We love the respectful
way you speak to
others.
