### ? Weekly Puzzle ?

What do the numbers 11, 69 and 88 all have in common?

Last week's winner: Chosen randomly, this week's winner is Alyssa with the answer 'M'

*Dear Parents and Community Members,*

We had a fantastic day last Friday at Bacchus Marsh for the Kids Day Out. The children did a wonderful job of their performance and thoroughly enjoyed the day. I was absolutely thrilled to have them out with me to showcase our wonderful little school.

Please note that you too can have a chance to watch the kids perform in concert if you come along to the Parents vs Kids footy match which will follow on from Footy Colours Day on Friday 13<sup>th</sup>. The performance will be the pre-match entertainment at 5pm, then the match itself will be at 5.30pm, and there will be a sausage sizzle tea at around 6.15 – 6.30pm. You will be getting a note with more details next week.

We have had a number of queries lately about the procedure for children who suffer from Asthma, so I thought I would let you know what you need to do. If your child has a diagnosis of Asthma it is critically important that the

school has a copy of an approved Asthma Management Plan. The plan needs to set out what equipment is to be used, what drugs are to be given, and the procedure for giving the puffer / inhaler.

The plan **MUST** be signed by a doctor.

I am sending home notes today to people who may be affected by this information. If your child needs asthma medication – even if it's only now and then – and we haven't sent you the asthma notes then please shoot me a text and I'll organise to get stuff out to you.

Well done to the children who qualified for the next round of the Athletic sports competition – your notes are attached today. Good luck with your events!

There are a whole heap of notices attached to today's newsletter – many of them are community notices for the upcoming school holidays. As well as that there is a notice regarding the Warrenheip tennis club AGM and coming competition.

There is also an advance notice regarding the Op Shop Ball, which is one of our major fundraisers for this year. I'm told it's quite the event, so save the date, grab some mates and come join us for an evening of fun and live music!

We have now organised Preparation for Puberty for the Grade 5 and 6 children, which will be delivered during the first two weeks of next term. We provide this program every 2 years as it is a part of the standard Australian Curriculum. More details are on the department's website and a quick search will find it, but if you have any concerns about the course or its content please get in touch.

Finally, school council will meet on Monday at 6pm, and Alishia will not be in the office next week as she has a training day which she has to attend. I will do my best to answer questions if you have them!

*Have a great weekend,  
Arthur Lane*
