Thu 17 Preparation for Puberty (5/6)  
Sat 19 Op Shop Ball (Warrenheip Hall)

## ? Weekly Puzzle ?

Jimmy's mother had four children. She named the first Monday. She named the second Tuesday, and she named the third Wednesday. What is the name of the fourth child?

Last week's winner: The closest to an answer was Issy – the correct answer was that they are all the same if you turn them upside down!

*Dear Parents and Community Members,*

Another great week at Warrenheip has flown by, and we are now only 2 weeks from the end of term! We have been concentrating on our normal classroom programs this week as well as taking advantage of the short period of better weather to get the grounds looking good for Footy Colours day next week!

Friday is the big day next week, with footy colours day, a visit from the Bulldogs Read team and the annual Parents Vs Kids grudge match. There's a lot going on next Friday, and a separate note attached to this newsletter to explain all about the big day for those of you who haven't seen it before!

There will also be a hot lunch next Friday, to coincide with Footy Colours, and that form is also attached.

For those of you who like to come to Swim and Gym either to watch, or just to collect your kids, please note that there is a change to the times of the

program in the last week of term. On the 19<sup>th</sup> of September only we will be swimming first, and the class will commence at 11am. This will then be followed by the Gym session at the normal time.

This week I am sending home the NAPLAN results to children in Grades 3 and 5. As you look at the results please remember that, good or bad, they are only a small snapshot of your child's abilities in a very limited number of areas on one particular day. Please don't place too much weight on NAPLAN. If you have any concerns at all about the results don't hesitate to get in touch with either your child's teacher or with me.

Children in Grades 4 – 6 are receiving their first camp notices today. We will be going on camp in November together with Bungaree and Mt Egerton primaries and we are looking forward to the event enormously. The permission forms and medical forms are attached today. It would help us a lot if you could return the permission form before the holidays, even if payment is delayed a bit. The camp looks set to be a really

great event – I haven't been there before but it's been recently refurbished and the pictures on the website look amazing! If you want to have a look search for CYC ADANAC. Again, if you have any questions please get in touch.

Warrenheip Tennis Club will be holding an after school competition next term. All our budding Bernard Tomics and Ash Bartys are encouraged to go along and join in the fun. The competition starts Thursday 10<sup>th</sup> October (the first week of next term) and you can get more information by calling Joanne Beatty from the Warrenheip tennis club on 0429 347 909.

Next Wednesday, and for the following few weeks, we will be welcoming Georgie Ballard to our school as a volunteer. Georgie is a Year 9 student from Mt Clear college who will be here as part of a community service project. We look forward to welcoming Georgie into our little community and we are grateful for the help she will give us!

*Have a great weekend,  
Arthur Lane*
