- We are a Sun-smart school: please wear a hat in Term 4!

THOUGHT FOR THE DAY:

“I can do things you cannot, you can do things I cannot; together we can do great things.”

Mother Teresa

Dear Parents and Community Members,

Welcome back to the start of term 4! I hope that you all managed to get some down time with family and friends during the school break.

Term 4 is always the busiest of the school year, with assessments to be done, reports to write, graduation to arrange and all the other administration tasks to get through before the end of the year. Having said that, we always seem to get through it somehow so I expect that we will this year too!

There are a number of events scheduled to take place this term. Some will be familiar to you from previous years and some are new. Please keep an eye on the dates to remember panel at the top of the newsletter.

This week we have been settling back into the routine of being at school. It has been great to see how easily the children have

settled in. Please don't forget that as a sun smart school we expect children to wear a hat while playing outside during term 4. All children must have a broad-brimmed or legionnaire-style hat for play this term.

I hope to see as many of you as possible at the trivia night tomorrow, at the Warrenheip Hall. It promises to be a great night, fundraising for the school and the local tennis club.

Many thanks to Julie Blackmore who gave up 2 days of her time to mow the school grounds over the holidays. Our school looks very much cared for and tidy as a result. Thank you Julie!

Parents of children in grade 6 please note: if you are eligible for the high school 'Country Bus' next year then you will find an application form attached to this newsletter. Please return it to us as soon as possible so that we can forward the forms on to the co-ordinator.

School council will meet next Monday night at 6pm. I look forward to seeing you then.

This afternoon the children have been enjoying the first of a number of sessions of sport delivered by Kelly Sport and funded through a grant from the Sporting Schools organisation. We are very lucky to have this opportunity and look forward to the rest of the sessions.

*Have a great weekend,
Arthur Lane*
