BUST TO HOT STUB

Last week's winner: too easy last week – lots of shouters have drowned out a winner. The answer was half way!

Dear Parents and Community Members,

Thank you so much to all the very hardworking and multi-talented parents who came out to school last Sunday morning. The working bee was a huge success with a really great turnout and loads of things got done. The grounds look fantastic thanks to your efforts, and the kids have not left the GaGa pit alone all week!

This week we were very pleased indeed to welcome our Koorie support worker Darlene Rumler to assembly to present Alex's gran Gill with a certificate of appreciation. Gill has been kind enough to donate some beautiful aboriginal artworks to the school which you can have a look at if you pop in to the office, so it was great to be able to recognise her for her generosity. Thanks Gill!

On Tuesday we went to Her Majesty's theatre to see Possum Magic. The show was really well done and it was difficult to believe that you could do so much with only 4 actors. The kids also enjoyed the

opportunity to try out the adventure playground at the lake afterwards.

This morning Mick and Talia from the Brown Hill Cricket Club came out to Warrenheip to run a clinic with the children. Everyone had a great time and we were grateful to Mick and his daughter for giving us their time today. There is a flyer attached to this newsletter with contact information for anyone who would like to play some club cricket.

Next Tuesday we are off to Bungaree to hear from author and adventurer Tim Cope. Tim crossed half the world on horseback following in the footsteps (or hoof prints) of Genghis Khan, and now runs treks in Mongolia. Thanks to those who have already returned your permission forms for this excursion, and thanks in advance for getting forms back to us by Monday!

Preparations for Christmas and for 2020 are well and truly under way here at school, and there is a whole bunch of stuff still to come home this term which will

need your attention. I will try to spread it out so that you can stay on top of all the different forms and paperwork! Today we are sending home the permission form for the Adventure Park excursion which is a much loved part of our end of year celebrations. As in previous years we will keep a close eye on the weather and we may change the date at short notice if we think that we can get a better day for the trip. Also today is a hot lunch order for next week.

Coming home next week will be the 2020 booklist and parent payments paperwork. The parent payment policy is on the "Forms and Policies" page of our website: please contact me at school if you have any concerns.

It won't be long 'till we are sending home the Secret Santa notes, and of course there are still permission forms to come. If it seems confusing to you, imagine how we feel!

*Have a great weekend,
Arthur Lane*
