Fri	Mar 31 st	Term 1 ends: 2.30pm finish
Tue	Apr 18 th	Term 2 starts

THOUGHT FOR THE DAY:

"Patience is the best remedy for every trouble."

Plautus

Dear Parents and Community Members,

Jeremy!

representing your school at this level of endeavour!

Cross Country

As term one now enters the last few weeks we are starting to get really busy here at Warrenheip! The school review process starts next week, we have 2 excursions coming up and there are a pupil free day and at least one meeting that I have to attend. I know that somehow we will all get through this (!) and I thank you for your patience in this very busy time! Due to the short timespan next week there will be no newsletter, so I will try to include everything that you will need until the following week.

Warrenheip Primary now has an official presence on Facebook! As part of our drive to publicise ourselves and increase our enrolment we will be trying to increase our social media presence and to use it as an extremely cost-effective way of marketing ourselves. You can help!! Please search us up on Facebook and like and share as often as you can – the wider we can spread the word the better!

A big thank you to Jeremy Maddern who came up to school to fix the door on the old portable. Thank

Don't forget that Cross Country is next Friday. I would strongly encourage all of our children to be there if at all possible to support our school. The distance to be covered is really not far and even if your child needs to walk some of the course it would be great if they could be there to support our school and our sports cluster. As in other years there will be a free sausage sizzle lunch and this year there will also be professional first aid providers on site in case of emergencies. Children are in age groups depending on what age they will be at the end of this year, so if your child turns 8 this year then they will compete as an 8-year-old: I hope that this helps with timings for spectators. I look forward to seeing you all there.

Swimming

Congratulations to all our swimming stars from recent weeks! The Wiltsher children, Zac and Livy all competed in various events and brought home several wins and places between them. Well done to all of you for having a go and for

School Council

The date of the school council meeting and AGM has had to be changed to avoid clashes with other commitments. The meeting and AGM will now be held on Monday 27th March at 6pm. It is time once again to ask for nominations for people who are prepared to sit on school council. Council is our statutory body and it is really important to make sure that we have a group of committed, interested parents to help run the school. There are no special requirements to be on school council, other than to be a parent at the school and wanting to help out. Meetings take place twice per term on a Monday night at school. Information is attached – for more information or advice please contact me at school.

Finally, if any parent got given a bookclub order the other day please disregard it – some of our younger children got a bit over-excited with the recycling bin!

*Have a great weekend,
Arthur Lane*
