Dear Parents and Community Members,

Welcome back to the start of Term 2! I hope that everyone enjoyed the Easter break and managed to spend some time with family and friends, or just relaxing and recharging.

This newsletter contains a number of permission notes for various upcoming excursions - please return these as soon as you can.

Our first School Council meeting of the term is on Monday 1st May at 6pm. At that meeting I will be able to present the report from last terms school review, and then I will make the report available on the website. Between now and then I will be busy writing the new School Strategic Plan, which is the document that will guide us in the work of school improvement over the next 4 years. Once that is done, and approved, it too will be available on the website.

parent portal, and will be beginning to use it for some of the aspects of running the school. There are many features in the portal which we will not be using, but hopefully we will all work out how it can best support us in delivering a great education at Warrenheip.

Thanks to Julie and Kerry for taking a heap of our new school brochures yesterday to distribute round the local kinders. We really need to make sure that the community knows that we are here so that they can make the right choices for their children. Thanks!

I will be sending home bookclub with this newsletter. Don't forget that as well as selling great books for your children, scholastic give us vouchers for 20% of all sales. The easiest way for us to manage bookclub is if you can order and pay online, but we are also able to accept cash at school if you would prefer.

Have a great weekend,

We are still working on the new *Arthur Lane*
