### POLICY

#### 1. School profile

Warrenheip Primary School is situated in a picturesque setting on the eastern approach to Ballarat, on a site it has occupied since 1875. The school is set on large, attractive grounds that offer a semi-rural learning environment for its educational community. Enrolments are drawn from both urban and rural homes and with no form of bus service; the majority of pupils rely upon family transport to get them to and from school.

The school's vision is for the students to become successful learners in an environment that provides the best possible opportunities for academic excellence. We are a friendly school which values Learning, Respect and Safety.
